Abstract

The purpose of this study is to design the Avant-Garde outfit, inspired by the molting of Cobra and presentation to the public. The target group is women aged from 25-35 years who enjoy specific theme socialize, self-confidence, have a variety of professions and social roles, and uniquely dress-up. Colors are used in this collection include Black, Sand Dollar, and Wood. Materials made of Fleece Jersey Snakeskin PVC Coated, Glossy PVC, Jersey Knit Snakeskin Print and Cheese Cloth. Decorated by smocking, honeycomb, and fabric dyeing techniques. Operated by defining the conceptualization, insights study, sketch and selection from the sketch, and determination of details, colors, raw materials, and decorations which can be summarized as a collection of 7 outfits as follows:

Outfit 1 Mini dress used for wrapping shoulder around to the snap button front decorated by smocking wrapped around from the top to the bottom.

Outfit 2 Blouse and skirt decorated with plastic zipper on the back and straight skirt inserted with 7 pieces of fabric on the front.

Outfit 3 Blouse and pants with turtleneck high up-to-the mid of face and finger long sleeves. for hot pants wear over with honeycomb decorative skirt.

Outfit 4 Ballon dress lookalike a cobra hood decorated by smocking was tied to the left leg.

Outfit 5 Blouse and skirt wrapped the shoulders around the front tie back and release the rest of fabric down to the floor. for high-waisted straight skirt floor length.

Outfit 6 Jump suit waist deep open front shirt decorated by smocking on the top and straight skirt decorated by smocking on the side.

Outfit 7 Mini dress featuring reinforced hips and lift-up sleeves decorated by oversized shawl with honeycomb and dyeing decorative techniques, floor-length.
